- Technologies involved: Objective-C, SDWebImage, Firebase.

Education

International University - VNU
B.S. Computer Science

2017 — Exp 2021
In-major GPA: 3.0

Coursework:
- Algorithms
- Discrete Math
- Computer Networks
- Probability Theory
- C/C++ Programming in Unix
- Introduction to Computing
- Principles of Database Management
- Object-Oriented Programming

Skills / Tools

- **Skill**: Proficient Swift — Objective-C Python — C — C++
- **Operating System**: MacOs — iOS
- **Tools**: Xcode — Git — Github — Vim

Courses

- Stanford Algorithms
- UC Berkeley CS61A
- UC Berkeley CS61B
- UC Berkeley CS170
